PLEASE FILL OUT 1 FORM FOR EACH CHILD ATTENDING KIDS CAMP

The Kids Camp is a fun activity camp which by its nature may involve activities which carry inherent risks such as chasing and catching games which involve physical contact and which may result in children accidentally banging into each other, bouncing castles in which children can lose their balance and fall on each other or bang into each other, ball games, etc. While every effort is made to reduce the risk involved, some risk is inevitable and it is often the unpredictability of some of these activities that makes it so much fun for the children.

I understand and accept the risks that are involved in Kids Camp and I am legally responsible for the child.
